# SECTION 1 - IDENTIFICATION OF THE SUBSTANCE/MIXTURE AND OF THE COMPANY/UNDERTAKING

Product name :

Gator Maxx Sand Bond G2

Details of the supplier of the safety data sheet

Supplier :	Alliance Designer Products Inc.
	225 Blvd Bellerose West
	Laval, Quebec
	Canada
	H7L 6A1
	www.alliancegator.com
	Telephone: 450-624-1611
24 hour Emergency Phone :	450-624-1611
	Available hours: 8h-17h Monday to Friday

Recommended use:Polymeric sand for slabs and paversRestrictions on use:N.A.

# **SECTION 2 - HAZARDS IDENTIFICATION**

HAZARD CLASSIFICATIONS DANGER PRODUCT CLASSIFICATIONS Carcinogenicity - Category 1A. Specific target organ toxicity - repeated exposure-Category 1. Hazard statement(s) May cause cancer. Causes damage to organs (lungs) through prolonged or repeated exposure. Precautionary statement(s) Prevention: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Do not breathe dust and aerosol. Do not eat, drink or smoke when using this product. Wear protective gloves, protective clothing, eye and face protection. Wash thoroughly after handling. **Response:** IF exposed or concerned: Get medical advice. Get medical advice if you feel unwell. Storage: Store locked up. Dispose of contents/container in accordance with local, regional, national and/or **Disposal:** international regulations in force. No other effects shown. Other hazards: See toxicological information, section 11

## **SECTION 3 - COMPOSITION/INFORMATION ON INGREDIENTS**

CAS no.	Common name and synonyms	Concentration (W/W)
14808-60-7	Silica, crystalline (Quartz)	34-36%

## **SECTION 4 - FIRST AID MEASURES**

If swallowed, irritation, any type of overexposure or symptoms of overexposure occur during use of the product or persists after use, immediately contact a POISON CENTER, an EMERGENCY ROOM or a PHYSICIAN; ensure that the product safety data sheet is available.

Eye contact:	Check for and remove any contact lenses. Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Get medical attention immediately.
Skin contact:	In case of contact, immediately flush skin with plenty of water for at least 15 minutes while removing contaminated clothing and shoes. Wash clothing before reuse. Clean shoes thoroughly before reuse. Get medical attention immediately.
Inhalation:	Move exposed person to fresh air. If not breathing, if breathing is irregular or if respiratory arrest occurs, provide artificial respiration or oxygen by trained personnel. Loosen tight clothing such as a collar, tie, belt or waistband. Get medical attention immediately.
Ingestion:	Wash out mouth with water. Do not induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. Get medical attention immediately.
Symptoms:	Cough, breathing pain, eye redness. Recurrent bronchitis and permanent respiratory embarrassment.
Effects (acute or delayed):	Dust from the product may cause mechanical irritation of the eyes and respiratory tract. May cause lung inflammation. May cause silicosis.
Immediate medical attention and special treatment:	No specific treatment. Treat symptomatically. Contact poison treatment specialist immediately if large quantities have been ingested or inhaled.

### **SECTION 5 - FIRE FIGHTING MEASURES**

Suitable extinguishing media:	Use dry chemical, CO2, water spray (fog) or foam.
Unsuitable extinguishing media:	Jets of water can facilitate the spread of fire.

FOR OVERLAY & NON-OVERLAY APPLICATIONS

**GATOR MAXX SAND G2 - BEIGE** 

SDS Revision Date (dd/mm/yyyy): 26/04/2019

RAIN SAFE AFTER 15 MINUT FOR PAVER & NATURAL STONE JOINTS UP TO 4" OSHA ASTM C-144

Page 3 of 8

03C

Specific hazards arising from the hazardous product:	No specific hazard. BEIGE			
Hazardous combustion products:	Carbon monoxide and dioxide.			
Special protective equipment and precautions for fire-fighters:	Fire-fighters should wear appropriate protective equipment and self-contained breathing apparatus (SCBA) with a full face-piece operated in positive pressure mode.			
SECTION 6 - ACCIDENTAL RELEASE MEASURES				

## SECTION 6 - ACCIDENTAL RELEASE MEASURES

Personal precautions:	No action shall be taken involving any personal risk or without suitable training. Evacuate surrounding areas. Keep unnecessary and unprotected personnel from entering. Do not touch or walk through spilled material. Shut off all ignition sources. No flares, smoking or flames in hazard area. Avoid breathing vapor or mist. Provide adequate ventilation. Wear appropriate respirator when ventilation is inadequate. Put on appropriate personal protective equipment (see Section 8).
Protective equipment and emergency	
procedures:	Avoid dispersal of spilled material and runoff and contact with soil, waterways, drains and sewers. Inform the relevant authorities if the product has caused environmental pollution (sewers, waterways, soil or air).
Methods and materials for	
containment and cleaning up:	Stop leak if without risk. Move containers from spill area. Dilute with water and mop up if water-soluble. Alternatively, or if water-insoluble, absorb with an inert dry material and place in an appropriate waste disposal container. Use spark-proof tools and explosionproof equipment. Dispose of via a licensed waste disposal contractor.

### **SECTION 7 - HANDLING AND STORAGE**

Precautions for safe handling: Put on appropriate personal protective equipment (see Section 8). Eating, drinking and smoking should be prohibited in areas where this material is handled, stored and processed. Workers should wash hands and face before eating, drinking and smoking. Remove contaminated clothing and protective equipment before entering eating areas. Avoid exposure - obtain special instructions before use. Avoid contact with eyes, skin and clothing. Do not ingest. Avoid breathing vapor or mist. Use only with adequate ventilation. Wear appropriate respirator when ventilation is inadequate. Do not enter storage areas and confined spaces unless adequately ventilated. Keep in the original container or an approved alternative made from a compatible material, kept tightly closed when not in use. Empty containers retain product residue and can be hazardous. Do not reuse container. Conditions for safe storage: Store in accordance with local regulations. Store in a segregated and approved area.

Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials (see section 10) and food and drink. Keep container tightly closed and sealed until ready for use. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Do not store in unlabeled containers. Use appropriate containment to avoid environmental contamination.

#### **SECTION 16 - OTHER INFORMATION**

Date: Version: 07/01/2019 1

Notice to the reader:

The manufacturer hereby declares that the information disclosed herein have been based on governmental sites and/or raw material suppliers'. The manufacturer has no control over the nature and content of such information. The manufacturer fully reproduces all the information it holds on the constituent of the product, at the time it is manufactured. The manufacturer does not assume any liability whatsoever for the accuracy or completeness of the information contained herein. Final determination of suitability of any material is the sole responsibility of the user. By this data sheet, the manufacturer hereby discloses all the potential dangers it has knowledge of and which might be related to the using or manipulation of the product in order to allow the proper care to be brought and use with regard to the product. Although certain hazards are described herein, we cannot guarantee that these are the only hazards which exist and notification is hereby given to the user. Notice is hereby given that injury can derive therefrom if the foregoing is not respected. The manufacturer assumes no responsibility for personal and/or material damage, lost or injury of whichever nature caused or which may occur following the wrongful, inappropriate, negligent or abusive use or handling of the product or from not having read the herein contained information.
